BENEATH YOUR CHILD'S WING

PERSONALITY GROOMING & COMMUNICATIONS

We provide nurturing environment, inculcating good values, providing opportunity for child to develop individual personality to stand apart in the crowd.

EXPLORE YOUR POTENTIAL

A blend of Indian & Western Art, Music, Dance performances help students to construct their own understanding of knowledge & cultures and sharpen their thoughts.

OUTDOOR & INDOOR ACTIVITIES

State-of-art In-door and Out-door amenities - Football & Cricket ground, Tennis courts, Basket Ball Court, Amphitheatre, Digital Classrooms, Learning Resource Centre with extensive collection of books/DVD's., Audio-Visual rooms and Labs.

S.T.E.M / ROBOTICS

Students experiences science, technology, engineering and mathematics first-hand through innovative, engaging tools that place them in the center of the learning environment. Our Robotics & Lego kits help to enhance the learning concepts from early age.

COLLABORATE & CONNECT

Sharpen the communication skills with emphasis on interactive learning aided by case studies, role-plays and academic presentations. Attitude plays a critical role in our life and self-confidence is integral to it. Our focus is entirely to help child open up.

SPORTS N FITNESS

EduSports is integrated school sports and physical education program which ensures that children learn holistically through physical activity and sports in addition to helping children improve their health and fitness levels dramatically.

VISION

The vision of the School is to occupy a pre-eminent position in education in Dehradun and become the preferred choice of Parents looking for an International education for their children.

MISSION

Students graduating from DGS will be responsible global citizens who will contribute to society in various capacities. This will happen by providing them the freedom to be, to act, dream and experiment in a nurturing environment.

MOTO

Rooted in-depth, we mould individuals who see the planet as a shared space, acknowledging common challenges. Understanding diverse cultures and internalizing differences, our students navigate the world, making sense of their experiences.
